valentines day
2010

As philosophers Lennon & McCartney foretold in their poetically groundbreaking 1967 prophecy "All you need is love", who would have thought that some 43 years later in a small bar on the other side of the world, such an outlandish prediction would prove to be true.

As a tribute to these wise men, on Valentines Day, PURE BAR is pleased to bring you PURE LOVE.

Enjoy a special PURE LOVE menu including 2 of Perth's best cocktails, a sexy share plate for entree, a choice of 2 mains finished off with a seductive dessert that will definitely make you feel the love before you devour it.

\$100 per couple or if you prefer to share the love, \$50 per person.
